# mailrelate

Because your words matter

Increase your customer relations with newsletters and email campaigns

Communicate with your customers and sell more efficiently through email and other digital channels. With MailRelate, you can easily create, send and follow up on your mailings, from any computer. mailRelate is a web-based tool that allows you to focus on marketing your message, the rest you leave to us.
We ensure that your mailings are delivered to your recipients in a safe, reliable and ease way.

√ **Import your mailing lists,**
the rest takes care of itself

√ **Send great newsletters**
using ready-made templates
that work on mobiles
or create your own

√ **Send secure mail that can**
be shared with others

√ **Do follows Ups to see the effect**
of your newsletters

> *mailRelate is incredibly easy to use and traffic to our website has increased significantly..*
